WESTERN

MOBILE LUBE VEHICLE OPTIONS

DIESEL
Western's TRANSCUBE cover's your mobile transport dispensing and storage needs.

NEW OIL/WASTE OIL
Our bench tanks and waste oil tanks are U.L.C. listed for your mobile storage requirements.

AIR
Choose from a variety of gas powered, diesel powered, or 12V compressors.

GREASE
A range of grease dispense options to meet all your needs.

ANTIFREEZE
A custom coolant and windshield washer dispensing system will compliment your setup.

WASH EQUIPMENT
Consider a pressure washer and water tank on board for clean up on site!

HOSE REELS
Dispense all your fluids and air with our industrial hose reels. Available from 25' to 75' lengths in all hose types.

PUMPS
Western has a complete line of pneumatic or electric pumps for oil, diesel, grease, and other fluids.

COMMON CONFIGURATIONS

TRAILER
An economical and versatile choice. Send us yours or we can quote on a custom trailer.

TRUCK
Send us any truck to outfit.

SKID
Good for rugged portability in oil fields etc.
